

GETTING U AHEAD COLLEGE PREPARATION SERIES

These workshops are specifically designed for students that come from underrepresented populations in higher education. The focus is to help students transition from high school to the University of Utah. We will provide hands-on information throughout the year, including sessions on writing personal statements, applying for scholarships and submitting the online University of Utah application. There will be staff members at each of these events available for consultation.

U Apply Day: High School Seniors

November 15, 2011, 5:00 to 8:00pm

Student Union Computer Lab

Apply to the U of U today! Don't forget to bring your fee waiver forms if you qualify for free or reduced lunch and an official copy of your high school transcripts. There will also be staff readily available to help you write your personal statements.

Paying for the U: High School Seniors

January 18, 2011, 5:00 to 8:00 pm

Marriott Library

Come and learn about the different funding opportunities that are available to help you pay for your U of U education. There will be staff available to help you submit your FAFSA online as well as U of U scholarships.

College Prep Workshops: 9- 11th grades

These workshops will help students prepare a college application portfolio so when the time comes to apply to colleges and universities, they'll be prepared. We will provide information a College 101 session, as well as on searching and applying for scholarships and FAFSA.
